COUNTRY COACH

Founder's Edition

Bob Lee had an idea....

For 34 years, Bob has taught the employees of Country Coach that luxury travel is about function as much as it's about comfort. With that in mind, upon Bob's return to Country Coach this past February, he immediately set upon a mission to build the ultimate combination of luxury and practical living.

With the innovation resources and extensive parts and fabrication catalog of Country Coach at his disposal, Bob Lee went to work on his idea of a well-balanced motorcoach.

Country Coach is proud to introduce the 2008 Inspire 360 Founder's Edition. A unique blend of features from multiple Country Coach motorcoaches (a tag axle from the 2007 Allure, front and rear fascia from a 2008 Tribute, just to name a few examples), this remarkable new motorcoach captures the essence of The World's Finest, offering an unprecedented balanced, luxurious, livable and accessible motorcoach.

View Bob Lee's new Founder's Edition motorcoach today, and see what happens when the man who started it all gets his way.
